PEDAL TO THE METAL LEADERSHIP:

If you keep the pace, you will lose the race. In today's rapidly evolving world, leaders need to become comfortable driving in the fast lane all the time.

Are you the type of leader who realizes that speed is a competitive advantage? Do you want to find new ways to help your organization pick up the pace? Then this program is for you. Pedal to the Metal Leadership will:

- help you navigate the four factors that drive organizational speed
- understand the ten faster leader roles you need to play to take your team to the next level
- master the FASTER skill set to improve your own leadership acceleration.

BIO:

Dr. Arlen Burger is a productivity expert who has been helping leaders and organizations become faster, more efficient, and effective for over 25 years. In his role of CEO of Leadership Coaching, Dr. Burger coaches CEO's, Board of Directors, and senior leaders on how to lead complex, fast paced, and demanding enterprises. His in-depth understanding of business and insight into people and organizations consistently yields dramatic and sustainable results. Dr. Burger has been speaking on leadership topics throughout his career. He has given keynotes, seminars, trainings, and team building sessions to a wide range of organizations including Fortune 100 companies, startups, universities, and non-profits.

Latest Book Release:

Pedal to the Metal Leadership is the flight manual for faster leaders. It is full of tips, strategies, and advice for how to accelerate your leadership. The focus is on "Smart Speed", and you'll get valuable insight into how to speed up your organization too. Leaders, start your engines. Available at Amazon.com in both Kindle and soft cover.

"It was an extreme honor to have you train and guide our leaders at the Executive Forum. You were such an important part of our event."

Tedde Reid, President
